Farm Assistant & Education Intern Application

At Tucson Village Farm we are looking for dedicated and hardworking interns to perform a variety of tasks on the farm. Farm Assistant interns will assist with the daily operations of the farm, including: planting, harvesting, processing, food distribution, weeding, tilling, digging, raking etc. Education interns will teach youth and adults arid land food production, culinary skills, nutrition, vermicomposting and physical activity.

Due to the degree of training involved, Farm Assistant interns must commit to a minimum of 8 hours each week and Education interns must commit to 4 hours each week for an entire semester to be considered.
