Adopt a Row
Show your support for Tucson Village Farm by adopting a row of crops in the garden!

The Adopt a Row program is perfect for both individuals and businesses; it is a perfect way to recognize a loved one or bring attention to your business or organization while supporting your local farm at the same time. The name of the person or business, as well as a dedication or company information, will be displayed on beautiful, hand-crafted signage at the entrance to each row.

Row Sponsorship Form

Name
Address
Email
Phone
I would like to sponsor a:
- Garden Row, $500
- Field Row, $250

Name (or business name) you would like to have on your row:
Dedication sentence or inspirational quote you'd like on your row sign:

Tucson, AZ 85719-1109
WHY SHOULD I ADOPT A ROW?

Tucson Village Farm is an education-based urban farm designed to teach youth how to grow and prepare fresh food. Although we are a program of the University of Arizona, College of Agriculture and Life Sciences and Pima County Cooperative Extension we receive no direct funding for our programs. Your support will go towards providing thousands of youth with quality hands-on educational programming.

WHAT WILL HAPPEN TO THE PRODUCE FROM MY ROW?

All produce from your row will go toward feeding the youth that participate in our programming, and their families, 75% of which are low-income.

DO I HAVE TO MAINTAIN THE ROW?

No! We will do the weeding for you! When you adopt a row you are providing financial support that will go towards the seeds, tools, irrigation supplies and labor required to grow the crop in that row.

ARE ALL ROWS CREATED EQUAL?

No, choose from one of the rows below:

Garden Row: These rows are in our large educational garden area through which an average of 250 people walk each week. Crops will include one or more of the 80 different varieties of vegetables we grow each year. These rows are planted twice a year for both our summer and winter growing seasons.

Field Row: These rows are located in our popcorn field, just south of TVF’s main growing area, and are home to our famous popcorn, our signature farm snack served to every child that visits the farm. In the off-season, a cover crop revives the soil for the next year’s popcorn planting.

WHAT’S IN IT FOR ME?

You will be identified as a row sponsor by a beautiful sign displaying the name of your choosing. You will also receive an update on how your row is growing and will be invited to our exclusive “Row Sponsor Lunch”, a delicious farm-to-fork meal featuring fresh produce from TVF.

HOW LONG DOES MY ADOPTION LAST?

Row adoption takes place from Harvest Festival to Harvest Festival. Our Harvest Festival is the 2nd weekend in November each year. Of course, you will be given first dibs on re-adopting your row for subsequent years!

WHO DO I CONTACT ABOUT ADOPTING A ROW?

If you have questions or would like to adopt a row, please contact Elizabeth Sparks, esparks@cals.arizona.edu

Issued in furtherance of Cooperative Extension work, acts of May 8 and June 30, 1914, in cooperation with the U.S. Department of Agriculture. Jeffrey C. Silvertooth, Associate Dean & Director, Economic Development & Extension, College of Agriculture and Life Sciences, The University of Arizona. The University of Arizona is an equal opportunity, affirmative action institution. The University does not discriminate on the basis of race, color, religion, sex, national origin, age, disability, veteran status, or sexual orientation in its programs and activities.
